HUMBLE BEE CARAVAN HIRE

Welcome, four-legged guest! 🐾

Hello! We're Teddy and Barney, the Humble Bee Cockapoos. Here's how to have a pawsome holiday in Cleethorpes.

🏖️ Check the beach rules

From Good Friday to 30 September, dogs aren't allowed on the beach between the Wonderland Slipway and the Leisure Centre. From the Leisure Centre to the Fitties, right by the park, we can play all year.

🦮 Leads on, please

On the park we stay on our leads everywhere. We're not allowed in the entertainment venues, the indoor complex, the arcades or the outdoor pools. The outside terrace at The Humber Stone is fine.

🎯 The Bark Yard

There's a dog obstacle course right here on the park. Barney loves it!

🥤 A treat for us

Coast & Candy on Market Street does a free Paw Shake for dogs. Teddy says it's the best thing in Cleethorpes.

🍺 Pit stops

The Counting House (water and treats!), Suzie's Cup of Joy, The Punch Bowl and The Looking Glass all welcome dogs. Check the rules when you arrive.

🔥 Mind our paws

If the prom is too hot for your hand, it's too hot for our paws. Bring water and walk us in cooler mornings and evenings.

🛋️ Caravan manners

Please keep us off the beds and sofas, and don't leave us alone for long.

Woof, see you soon! 🐶🐶

Love, Teddy & Barney (and your humans at The Humble Bee)

These are Haven's rules and they may change, so check at reception or in the My Haven Experience app. Dogs can't go on the beds or sofas. More dog tips are in our free guest app.
